

Campers love mail! Please use the following address to send your camper a letter, card, or package:

[Camper's name]
Jonah Ministries
31 Little Mountain Road
Trout Lake, WA 98650

In order for your camper to have an extraordinary camp experience we ask that they break from the ordinary for the time that they are at camp meaning, please do not allow your camper to bring their cell phone, ipod, etc. to camp. Any emergency communications that you need to relay to your camper can be made by calling the camp office at **509-395-2900**. Please look over the "General Information" sheet included with this letter with your camper paying special attention to the "What to Bring" section.

Looking forward with great anticipation to meeting you,

Lisa English
Camp Director
