

Deep Sea Treasure Seekers

Dear Grandparents,

We here at Jonah Ministries are so excited to have you and your grandchild at this year's Grandparent Camp! We have so much in store for this week's camp and know that you and your grandchild will have a wonderful time. Our theme, Deep Sea Treasure Seekers, is a dive into the sea to not only discover fun sea creatures and treasures, but also treasures in God's Word. Be sure to look over the "What to Bring" list so you and your grandchild are ready for the best summer ever!

Camp Details:

You will need to bring a tent or camper for you and your grandchild. We do have extra tents, cots and mattresses available for use. Please contact us if needed. Bathrooms, showers and meals will be provided.

Camp begins on Wednesday, June 29th. Registration begins at 3 pm and camp activities begin at 4 pm. Come in plenty of time to get set up and settled in before camp activities begin. (We'll help you get set up!)

Camp ends on Friday, July 1st, at 11:30 am (after slideshow of the week at 10:30 am)

We are so excited to see you all on June 28th! Until then, don't hesitate to contact us at Jonah Ministries if you have any questions:
