

Deep Sea Treasure Seekers

Dear Camper,

I hope you are ready to suit up and dive into the deep ocean, because this year's Primary and Grandparent camp is going to be a Splashin' Time! We're going to explore the ocean with our friends Surfer Dude and Scuba Bob to look for messages in old bottles that could lead us to hidden coves with sunken treasures. But we have to beware of the bad Crackin' Fish who will try to steal our treasure before we can find it! You won't want to miss this year's Under the Sea Adventure, so make sure to check the "What to Bring" list so you will be totally ready to dive right in!
