

What to Bring!

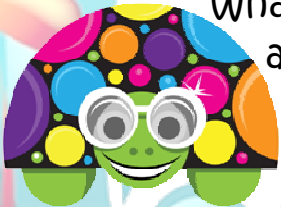

Hey Kids! My name is Scuba Bob and I love to dive deep into the ocean to find treasures! The last few times I've gone diving, I've met a few friends who would like to help you get ready for our Under the Sea Adventure. So read the list carefully and remember to pack everything! And remember, you **DON'T NEED** a cell phone (they don't work under water anyway....).

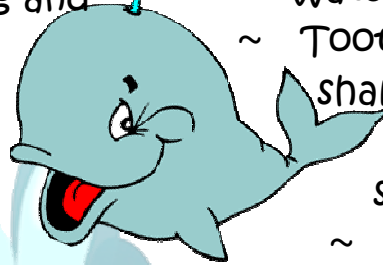

Hi! I'm Snappy the Crab and I want to make sure that you bring all the right clothes and shoes...

- ~ Tennis shoes and sandals
- ~ Comfortable clothes for rain or shine (make sure to bring a sweatshirt and at least 1 pair of warm pants!)
- ~ Swimsuit and towel
- ~ Night time jammies

What's up kids? I'm Toby the Turtle and I love to sleep, so I don't want you to forget to bring ~ A warm sleeping bag and pillow

Hey there, I'm Willy the Whale and I'm excited for all our fun water adventures, so be sure to bring with you:

- ~ Water bottle and flashlight
- ~ Toothbrush, toothpaste, shampoo and soap
- ~ Sunglasses, sunscreen and bug spray
- ~ Bible and pen or pencil
- ~ Money for the camp store (snacks, T-shirt, etc)
