## Christmas in July? Get the REAL Scoop!

Dear Camper,

Are you ready for some holiday cheer this summer? How about some crazy Christmas fun? I am so happy that you will be joining us for the biggest, craziest, wildest, Christmas celebration ever. This year at **Ultimate Kid's Camp** we will be celebrating the holiday together as we discover that the REAL reason for Christmas is something we can celebrate ALL year long.

You can look forward to some awesome chapel times as we celebrate and worship together, daily opportunities to fly through the air like Santa's sleigh on the Jonah zipline, scale the rocky cliffs of the "North Pole" on the rock wall, off-campus adventures, traditional Jonah favorites and brand new surprises!

Be sure to look over the "What to Bring" list so you don't leave anything behind you might need. Something new this year you will need to bring is a White Elephant gift for our biggest ever gift exchange! You won't need your cell phone, iPod, mp3, Gameboy, etc. at camp, you will be too busy, so leave those in a safe place at home. Most of all, bring your sense of adventure and be prepared to have the best week of your summer! Our week of camp starts on Tuesday, July 5th, at 3:00 pm with a kickoff Christmas Carnival that your family can stay and enjoy with you before you say your goodbyes for the week.

Looking forward to a week of fun and adventure with you!
